WINE LIST

GRIFFIN

DALE PEMBROKESHIRE

Wine has always been a big part of what we do here at The Griffin and a bit of a personal passion of ours too. We are often found sniffing, swirling and tasting (purely for quality control, of course!)

For the past 16 years, we've worked closely with local wine expert, Ali from Lush Wines, who has grown alongside us from day one. Now running his own business, he continues to source fantastic wines from smaller producers, helping us keep things fresh, interesting, and a little bit different.

As a seasonal, coastal spot, our list naturally leans towards crisp whites and refreshing rosés, the kind of wines that are perfect for long lunches, sunny afternoons, and a glass or two on the Griffin wall. That said, you'll also find some easy-drinking reds for when the mood calls for it.

Whether you're here for a meal or just a drink, every wine has been chosen to be just as enjoyable by the glass as it is by the bottle.
